Secretary: Barry Gear AO
PS Superannuants
GPO Box 2036
Adelaide SA 5001

Dear Barry.

Thank you for your correspondence dated 8 May 2024 addressed to Wayne Hutton. I apologise for the delay in responding but wanted to ensure that I could reply accordingly to the points that you raised.

In response to the matter raised regarding the Super SA member facing website stakeholder list and the stakeholder list in the Super SA Board Terms of Reference and Charter of Obligations and Responsibilities.

- As you reference there was a conversation between our then Chief Executive Dascia Bennett and your then Secretary of PS Superannuants Dianne Baron where this matter was raised and discussed. In those conversations Dascia outlined that the Board were not open to a revision of the Policy but asked that the Super SA website was updated to add PS Superannuants specifically to the Stakeholder list. An email dated Friday 20 January 2023 was sent from Dascia to Dianne explaining that PS Superannuants will be listed as a key Super SA on our website. This was updated and is live on the Super SA public facing website.
- Super SA is committed to the continuation and maintaining of a Super SA public facing website stakeholder listing.

In response to the Associations Executive committee request for the June 30, 2022 Actuarial Review of the SA Superannuation Scheme to be posted on the Super SA Website.

- Super SA has rectified this omission, and the review is now posted on the Super SA public facing website.

Finally, our new Chief Executive, Dini Soulio has asked me to express his interest in joining the next scheduled Committee to meet you all, and to also extend his offer that he would be more than happy to speak at one of your PS Superannuants meetings if that would be of any interest.

Kind Regards

Karen Raffin
Director, Brand and Member Engagement
