

Heads of Government Agreement on Superannuation

The Hon. Stephen Mullighan, MP

State Treasurer of South Australia

Treasurer.DTF@sa.gov.au

Dear Mr Mullighan,

I am making this contact with you on behalf of the *Association of Public Sector Superannuants* (the Association), and in connection with the most recent *Heads of Government Agreement on Superannuation*, signed by the Commonwealth and South Australian Governments. This document is referred to in the Super SA Annual Report for 2023-2024 (page 14).

Early this year the Association made a request to Super SA for it to provide us with the current version of this agreement. We were told that Super SA was not authorized to release it. This saw us make a Freedom of Information (FOI) application to your office, on 24 February 2025, for access to the document. We received notice, on 13 March 2025, that the document could not be located. This saw us make a FOI application to the Federal Treasury which resulted in us obtaining a copy (see attachment).

We are now requesting that you, as the Minister responsible, authorize Super SA to place this most recent Heads of Government Agreement document on the public-facing, Governance page of its website so that members of all schemes have access to it.

Yours sincerely,

Barry Grear
