

The Next meeting of the Victorian Branch is due on Wednesday 24 June at the South Melbourne Community Centre where we explore what a local member of parliament does in their spare time and more.

Our guest speaker will be **Nina Taylor**, State Labor Member for Albert Park and we are asking to share her personal journey and working life as a State Member of Parliament.

Nina was elected to the Legislative Assembly in November 2022 and is the Parliamentary Secretary for Education. She previously served as a member of the Legislative Council from 2018-22, where she held the role of Government Whip.

Before entering Parliament, Nina was a member of the Glen Eira City Council. She had previously worked for the Community and Public Sector Union, completed articles in law at a corporate law firm, and volunteered at the Women's Legal Service.

Her first jobs were as a schoolteacher and in long-term disease management portfolios in the pharmaceutical industry. She is also multi-lingual with proficiency in French and German.

Nina's vision for Victoria's future is that it is an accessible, compassionate, sustainable, and educated state. She wants us to have advanced multi-modal options, clean and affordable energy, safe and climate-sensitive shelter for all, and equitable access to educational pathways.

Peter Baker will then present a response to a member who wants to keep up with technology but is challenged as things move at an ever-increasing pace.

Worth listening to his tips for a senior's IT life.

If we have time we will also hear from a member of our audience talking about what came before retirement.

The in-person meeting attendees will enjoy a light lunch, with hot food to entice us to venture out in the cold, to a warm meeting room and good conversations.

Members may join us live and get their questions answered. Later you can watch a recording of these presentations on the PS Superannuant web site in the Member's Portal. In addition, PowerPoints of these presentations are available on our website's Speakers Corner.

Future 2026 Meetings

Victorian meetings for the remainder of 2026 will be held on the last Wednesday of June, September and November.

Members from all states are welcome to attend meetings if visiting Melbourne at the time (starting at 12:30pm) or join the meeting via Zoom (at 1:30pm AEST). You are welcome to invite current public sector employees, former colleagues, friends, or partners to our Meetings and to join our Association at our meetings or beforehand.

An invitation has also been sent to a CSC Board member to attend a future Victorian members meeting. The Victorian Division is interested to hear what the CSC is able to offer our members in terms of post-retirement advice and importantly listen to feedback that could assist the Board with future decisions as to how best to support them in retirement.

The Victorian Branch also maintains an open communication online questionnaire for you to ask questions and suggest meeting topics prior to each meeting – complete responses by clicking [here](#).
