PS Superannuants

The Association of Public Sector Superannuants Inc.
Formerly SA Superannuants
Established 1927

Victorian October Report

The Victorian Branch held its third meeting for this calendar year on 30th September 2026 at the South Melbourne Community Centre on the topic of "My Search for Affordable Hearing Aids" and was presented by current Victorian member, Ed Blake.

Peter Baker then presented another informative online IT talk about 'Understanding Computer Passwords, Password Manager Programs and Passkeys". It is always worth listening to his tips especially for a senior's IT life.

The 21 attendees enjoyed a selection of hot and cold food including tea and coffee and indulged in the usual social mingling. In addition, a further 14 participants joined online via Zoom. All members are able to watch a recording of these presentations on the PS Superannuant web site in the Member's Portal.

Meetings at the South Melbourne Community Centre hall are booked until June 2027 and the updated Public Liability Certificate in the name of the Association has been formally acknowledged by the City of Port Phillip.

Future 2026 Meetings

The last Victorian Member's meeting for 2026 will be held on 25th November at South Melbourne. Members from all states are welcome to attend this meeting if visiting Melbourne at the time (starting at 12:30pm) or join the meeting via Zoom (at 1:30pm AEST).

At the time of writing our topics and speakers for this date are yet to be confirmed however there are a few options in the pipeline.

A planning meeting of the Victorian committee is scheduled for 20th October to hopefully agree and finalise the arrangements for this final meeting of the year which will again have festive season flavour. One member has even promised to bake a cake!

We can also report that a response was eventually received from the CSC in relation to our invitation for a CSC Board member to address a future Victorian member's meeting. Unfortunately, a board member cannot attend however an alternative spokesperson has been suggested.

Gerry Schembri

Convenor Victorian Committee
